All eligible public safety providers whose sole purpose or principal purpose is to protect the safety of life, health, or property in Region 8 would utilize these frequencies. It is essential that not only public safety, but all government, Native American Tribal, and non-governmental organizations eligible under Section 90.523 of the Commission's Rules be represented in order to ensure that each agency's future spectrum needs are considered in the allocation process. Interested parties wishing to participate in the planning process for utilization of the new public safety spectrum in the 700 MHz and 800 MHz are encouraged to attend. For additional information concerning these meetings, or to be put on the Region's email list, please contact either the Region 8 Chair or Secretary listed below or visit the committee web site at <http://www.dhSES.ny.gov/oiec/committees>.
